

**Monthly Meetings normally on 1<sup>st</sup> Tuesdays are currently suspended.**

*Our Mission* is to create a growing network of co-ed seniors, to provide social activities, local events, travel, entertainment and educational seminars in common interest groups as ways to safely enjoy our lives.

**“OWLS Love Labor Day Parties.... But Not This Year!”**

When Hillsborough County closed all Parks & Rec buildings in mid-March the Owls Club activities were put on HOLD as the Northdale Park shut down. Limited Northdale Park activities restarted in June including the use of all buildings for the 10 kids to a room summer program activities. In September the buildings are anticipated to open in a similar fashion (10 seniors per room) for Owls games & activities. However due to the size of most club activities and the social distancing rules expected to remain in force, it likely will be winter before the Owls resume significant activities. We will post updates on the OWLS fb page and the website at [www.NorthdaleOwls.com](http://www.NorthdaleOwls.com).

Please be patient. Hillsborough County statistics have not been favorable and Owls are in the more at risk age group and some have health issues. On the positive side, most of us are active, not in nursing homes and are still enjoying life! We encourage you to stay busy, eat healthy and wear PPE when required. This too shall pass and we hope to see you all hooting soon... maybe at the December Owls meeting!
